SUMMARY

Chef Mumsie's Brands LLC. is a dynamic company providing services in the fields of food service, catering, transportation and logistics, temporary culinary staffing, as well as advertising and marketing services. Our team is committed to delivering unparalleled quality and customer satisfaction, ensuring that every project is a success. We've served a diverse clientele, including government agencies and private corporations.

CORE COMPETENCIES

- **Catering:** Full-service catering for events, popup restaurants, and concession food transportation.
- **Personal chef and bartender:** Personal chefs, bartenders, and cooking/culinary classes.
- **Event promotion and marketing:** Comprehensive event promotion and marketing services, including website development, vendor registration, graphic design, and commercial printing.
- **Food delivery:** Gourmet cuisine delivered on-site for events, catering, and day catering, food trucks.
- **Professional and Management Development Training:** Offering culinary training courses to develop professional and management expertise, alongside event marketing and advertising services, to support the growth and success of culinary businesses.

PAST PERFORMANCES

Chef Mumsie's Brands has extensive experience in delivering high quality culinary services to a variety of commercial clients, including movie sets, high-end government affairs, and the Los Angeles Dodgers. Our team has also provided food service to military personnel, including serving meals to our brave men and women in uniform.

DIFFERENTIATORS

- Skilled culinary professionals led by Chef Mumsie a highly experienced and award-winning chef with over 20 years of culinary expertise.
- A comprehensive range of event marketing and advertising services, including website development, event promotion and registration, email marketing, video production, and graphic design.
- Expertise in transportation and logistics services, including base camp operations, transportation of equipment and vehicles, and debris removal, ensuring that your event runs smoothly from start to finish.
